

**THE SCHEDULE FOR 28th INTERNATIONAL SCIENTIFIC-AND-TECHNOLOGICAL CONFERENCE EXTREME ROBOTICS (ER-2017) November 2-3, 2017, Russian State Scientific Center of Robotics and Technical Cybernetics (RTC)**

---

21 Tikhoretsky prospect, Saint-Petersburg, Russia, 194064

tel.: (812) 552-0110

e-mail: [rtc@rtc.ru](mailto:rtc@rtc.ru)

fax: (812) 556-3692

**YOUTH SESSION:  
format presentation for youth robotic competitions  
RTC Cup and international competitions RoboCup:Rescue**

November 3, 2017, 14:00 – 16:30  
Peter the Great St.Petersburg Polytechnic  
University (scientific-research campus building)  
(29A, Polytekhnicheskaya ul.)

**AGENDA**

The opening of the youth section:

Meshcheryakov Roman Valeryevich,  
Chairman of Russian National Committee

Ronzhin Andrey Leonidovich,  
Deputy Director on scientific work SPIIRAS,  
Head of the Department «Electrical engineering and robotics» SUAI

Shmakov Oleg Aleksandrovich,  
Head of Department of special equipment RTC

1. International competitions RoboCup  
*Speaker: Meshcheryakov Roman Valeryevich, Chairman of Russian National Committee of the RoboCup*
2. Directions of SPIIRAS in the field of educational robotics  
*Speaker: Ronzhin Andrey Leonidovich, Deputy Director on scientific work SPIIRAS*
3. The participation of youth teams of the joint laboratory SPIIRAS and SUAI in international competitions RoboCup  
*Speaker: Savelyev Anton Igorevich, senior researcher SPIIRAS, senior lecturer SUAI, team leader Aerospace Bruisers, the winner of the Russian Robocup Open 2017*
4. Youth robotics competitions « RTC Cup» and RoboCup: rescue  
*Speaker: Shmakov Oleg Aleksandrovich, Head of Department of special equipment RTC*

***Representation of testing ground for small-sized robots, demonstration missions, master class youth robotic competitions «RTC Cup» (15:30-16:30, foyer of scientific-research campus building).***
